

National Marine Sanctuary Advisory Council Student Seat Application Form

Before applying for sanctuary advisory council membership, please review:

- (1) the sanctuary advisory council charter provided in your application kit, and;
- (2) the Office of National Marine Sanctuaries (ONMS) *National Marine Sanctuary Advisory Council Implementation Handbook* available online at:

<https://sanctuaries.noaa.gov/management/ac/>

(or you may obtain a copy from your local sanctuary—see contact information below).

The charter outlines the purposes and governs the operation of the sanctuary advisory council. The handbook provides broader operational requirements for sanctuary advisory councils. In applying for sanctuary advisory council membership, you are agreeing to abide by the terms of the charter and the handbook if you are selected as a student council member. Also, please note that the student seat is intended to engage higher education (e.g., college, university) students and, therefore, term limits for student seats may be further limited once a student graduates or is longer attending school full time.

As a part of the selection process, please note that the Office of National Marine Sanctuaries will conduct a LEXIS/NEXIS check and a departmental bureau check for potential conflict of interest and other issues in your background.

Additional information and guidance regarding the use of the information you submit on this form and its availability under federal law can be found at the end of this form. Please review this information.
